FRISCO, TEXAS**

Yes, it's that time again kiddies! Get out the bomb-proof wheels and join us for the only "real" ride of the year. Starting at the new EDS Velodrome parking lot, just north of highway 121 on Hillcrest Road (on the CCCCD Frisco campus).

The ride will cover 60 odd miles of two lane asphalt and gravelly roads with 10 miles of lovely dirt which is at times consists of only two narrow cow paths through the killing fields of North Texas. Large, gnarly, offroad type tires are highly recommended as well as two sets of spare wheels for the follow vehicle which will be provided.

Whiners will be left for the buzzards. Beer will be served cold, before, during and after the ride. Winner takes all: (1) bottle of Champagne, 3 Gu's, 1 Binda to strap, 1 used water bottle and of course, bragging rights for (1) one year.
