**Want to Reach Turks and Kurds with the Good News of Christ? Maybe You Can Help**

The goal is to advertise in Turkish and Kurdish newspapers in Europe to locate Turks and Kurds interested in spiritual matters, to provide them the opportunity to receive the Gospel and become a part of a vibrant body of Christ.

Advertisements in Europe

## Newspaper Ads as a Tool to Reach the 7 Million Turks and Kurds in Europe with the Gospel

Advertisements for the Bible Correspondence Course (BCC) are an effective tool in reaching Turks and Kurds in Europe. Privately they can request Christian materials and investigate the Christian faith. Each responder is given the opportunity to participate in the BCC which outlines the basic tenets of the Christian faith. Individual converts throughout Europe are put in contact with other Turkish Christians in their area.

### Inquirer Packets

An inquirer receives a New Testament, an evangelistic Bible course, music cassette and/or CD, DVD of Christian films, booklets and flyers.

### Proven Results

Advertisements for the Bible Correspondence Course have been successfully used in Muslim countries. The last 14 years the course distributed 290,000 New Testaments in Turkey. In Turkey, 50% of all believers have been through the BCC. Advertisements have also been tested in Europe with positive results. Advertising seems to be a good method for reaching Turks and Kurds in Europe.

### Future Plans

Future plans are to run BCC ads in different Turkish newspapers such as the Özgür Politika, Hürriyet and Milliyet for the next year.

### Present Needs

Current needs are: funding, prayer support for seekers, advertising ideas, and workers to follow-up on inquires.

Costs for running a weekly ad in the three major Turkish newspapers are as follows: \$580/week, \$ 2,500/month.

The project will proceed based upon monies received. Any contribution is appreciated. No contribution is too small.

### Partnership

This is a partnership of various mission agencies and churches in America and Europe working together to reach Turks and Kurds for Christ.
